Subject: Petition Appeal for Revocation of Certificate of Public Convenience
and Necessity of Certain Motor Carriers

To whom this may concern:

On behalf of Sunrise Solutions LLC., we are honored to be able to provide safe and efficient transportation for residents of SC. However, we have not been able to operate the vehicle since receiving the certificate to provide transportation due to the fact that we have been faced with driver issues as well as getting contracts to proceed in fulfilling the purpose of the business. As a result, we were forced to temporary cancel our insurance. We have been in contact with some people in assisting us with our issues so that we may proceed, so we ask that the certificate of Sunrise Solutions not be revoked. We would like to be able to begin providing services as we value the safety and well being of others.

Sincerely,

Stacey Fields
Owner of Sunrise Solutions LLC.
